

# **MEDC Legislative Update** – OCTOBER 25, 2011

*Brian Grace – Legislative Consultant*

## **Special Session Report**

The Missouri Senate officially ended the special legislative session today. Items left on the table include incentives for an international trade hub at Lambert Airport, data storage centers, amateur sporting events, and the Compete Missouri proposal.

The final impasse between the House and Senate was the question of whether the Historic and Low Income Housing tax credit programs should sunset in seven years.
